## 4 Tragos – Otro beso de Judas

It has been over two years since **4 TRAGOS** publish his last album "**Salta al arcén**". Time enough for the Basque quartet has composed new songs live have improved significantly and are presented as a solid rock and roll band ...

Rock with melodic songs, worked and catchy lyrics can convert songs into anthems, blunt and sharp guitars batteries. That's what has always characterized **4 TRAGOS** and what we find in this new second album "**Otro beso de Judas**"

### A bit of history

**Aitor Sarabia "Totxu"** on guitar and lead vocals, **David Millán "Piki"** on bass and vocals, **Gorka Pereiro "Pere"** with lead guitar and vocals, and **Endika Barciela "Barci"** on drums and vocals; all from other bands, agreed in late 2005. Les joined his taste for classical groups seventies hard rock, punk bands and more current (Led Zeppelin, Leño, Ramones, New York Dolls, Flying Rebollos, Platero y Tu, Burning, Thin Lizzy, etc...). A Santurtzi first concert in March 2006, a first demo in October 2006, and since his first album "**Salta al arcén**" in **2010**, continuing the following year winning the contest Musikazoka 2011 in Erandio, then came more gigs, concerts and more concerts ...

### JUNTO A TÍ (pervirtiendo) : "Ruakanrol"

Thus we come to the second half of 2012, in which a handful of pure rock songs, they get back into the studio. Eleven new topics that shows the evolution of **4 TRAGOS** settled on a rock more elaborate, more melodic and stronger if possible.

**JUNTO A TÍ (pervirtiendo)** is the song chosen to present **OTRO BESO DE JUDAS** as they say a real shot "ruakanrol", of which have also prepared a video clip.
