## CUARTO OSCURO “2112 Veintiunodoce”

Not so long ago, the Navarrese **CUARTO OSCURO** surprised and convinced us with their album "Rosas Doradas", discovering a powerful metal rock band in which the intimate lyrics accompanied by melodic voice acquired a basic importance. From that album we listened to remember the songs like "Camaleónica", "Fácil de Amar" or the bold adaptation of the classic from La Union "Sildavia".

Since then **CUARTO OSCURO** have not stopped acting, being probably one of the most active bands in our catalog, which has contributed to his followers today have multiplied and are demanding a new album release in the band.

More consolidated, more experienced, more professional if possible and as in the rock scene is not lived in the past, had to do a new album, and here it is ....

## “2112 VEINTIUNODOCE” & “DIOSES DE SAL”

An album that will finish to convince addicts most current rock and metal that has been chosen as the theme of submission to "**DIOSES DE SAL**", a topic that once again the importance fundamental letters come to accompany a chorus, of which you are embedded in the gray matter. From "**DIOSES DE SAL**" the group has made a music video will soon see on TV and YouTube.

## CUARTO OSCURO *and their unespected versions*

If you were wondering if this time would dare to include a cover, then yes, they have dared and have to listen hard to know who this time, I can assure you it will surprise you and you have to stop assuming that any other band can do it, few if any dare with this challenge and it would come out more than "airy" ... Immediately after the start of the disk, start a tour that will take them to begin to Ponferrada, Autol, Gijón, Badajoz, Madrid, Santander, Zaragoza, Barakaldo, Bordeaux, Madrid again, Tarragona, Rivas Vaciamadrid, Pamplona and for the third after Madrid, etc ...

**CUARTO OSCURO** are: **Luisja** at bass & voice, **Oscar** guitar & voices, **Txiki** guitar & voices & **Fran** at drums.
